

Down in the Jungle

Swing it

Down in the jung-le by the ban-yan tree —

Some - bod - y sang, " — fol-low me.

They stepped out — Oh, so fine. —

Sing-ing and a - danc-ing in a con-ga line — !

Prep: Place pictures of jungle animals on the floor in a circle. Place more pictures than there are players.

Directions: Players stand behind a picture (toes pointed toward picture.) Once player is designated as the caller. Caller walks around the outside of the circle. Players sing the song and caller sings the name of an animal. Players standing in front of a picture of that animal turn and begin to walk (in the same direction as the caller) around the circle. Repeat singing and calling until all animals are walking around the circle.
