

Three Little Pigs

Three little pigs lived all alone
When each decided to build a home
The first used straw
The second used sticks
The third little piggy built his house with
bricks

Along came a wolf with a
knife and fork
Who said "I'd like some tasty
pork."

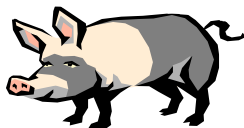

He smacked his lips at what he saw
As he walked on over to the house of
straw.

"Little pig, little pig let me in!"

"Not by the hair of my
chinny chin chin."

"Then I'll huff and I'll
puff

and I'll blow your house in!"

So he huffed (huff, huff) and he puffed
(puff, puff)

And he blew the house in

But...the little piggy ran away

The hungry wolf was in a fix
As he walked on over to the house of sticks

"Little pig, little pig let me in!"

"Not by the hair of my chinny
chin chin."

"Then I'll huff and I'll puff
and I'll blow your house in!"

So he huffed (huff, huff) and he puffed
(puff, puff)

And he blew the house in

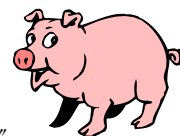

But...the little piggy ran away

The hungry wolf, still had some tricks
As he walked on over to the house of
bricks

"Little pig, little pig let me in!"

"Not by the hair of my
chinny chin chin."

"Then I'll huff and I'll puff
and I'll blow your house in!"

So he huffed (huff, huff) and he puffed
(puff, puff)

And he huffed (huff, huff) and he
puffed (puff, puff)

But he could not blow the house in.

"Please little pig," he begged on bended
knee,

"If you don't let me in I'll use the
chim-i-ney."

Three little pigs put a pot on the fire
The water boiled as the flames grew
higher.

The wolf climbed in the chimney and
slid through the flue

Into the pot KERPLASH to
make wolf stew.

Use this story to explore the sounds (timbre) of different instruments. Look for objects that make "sounds" for the straw, sticks, bricks, pigs, wolf, chimney, flue, and the KERPLASH. Have fun!
